

ABOUT US

1

Edsam is a multi-facet firm into all kinds of printing and publishing works. With our state-of-the-art modern machinery, we pride ourselves of been one of the few presses and leader in Ghana with a cutting edge in both digital and offset printing services.

2

What makes us even more unique is our publishing credentials which aids our design and print jobs with free proof reading and editing services for every piece of work. You can be sure that your job will go without any typo errors and basic grammatical errors that sometimes come with printing works. Our experienced editorial team will offer you free editorial services for basic design and print jobs and a small fee for detailed copy editing and reviews for jobs that demands more attention or that special touch.

3

Our souvenirs and branding department is also second to none in the industry always giving you that special and unique touch to excite your customers. You can always count on us for something new and unique for every print order.

4

To make our competitiveness even more outstanding is soon to roll out labelling and packaging department with state-of-the-art digital labelling machinery to deliver that top-notch product packaging needs, in the shortest turnaround time in the country and beyond.

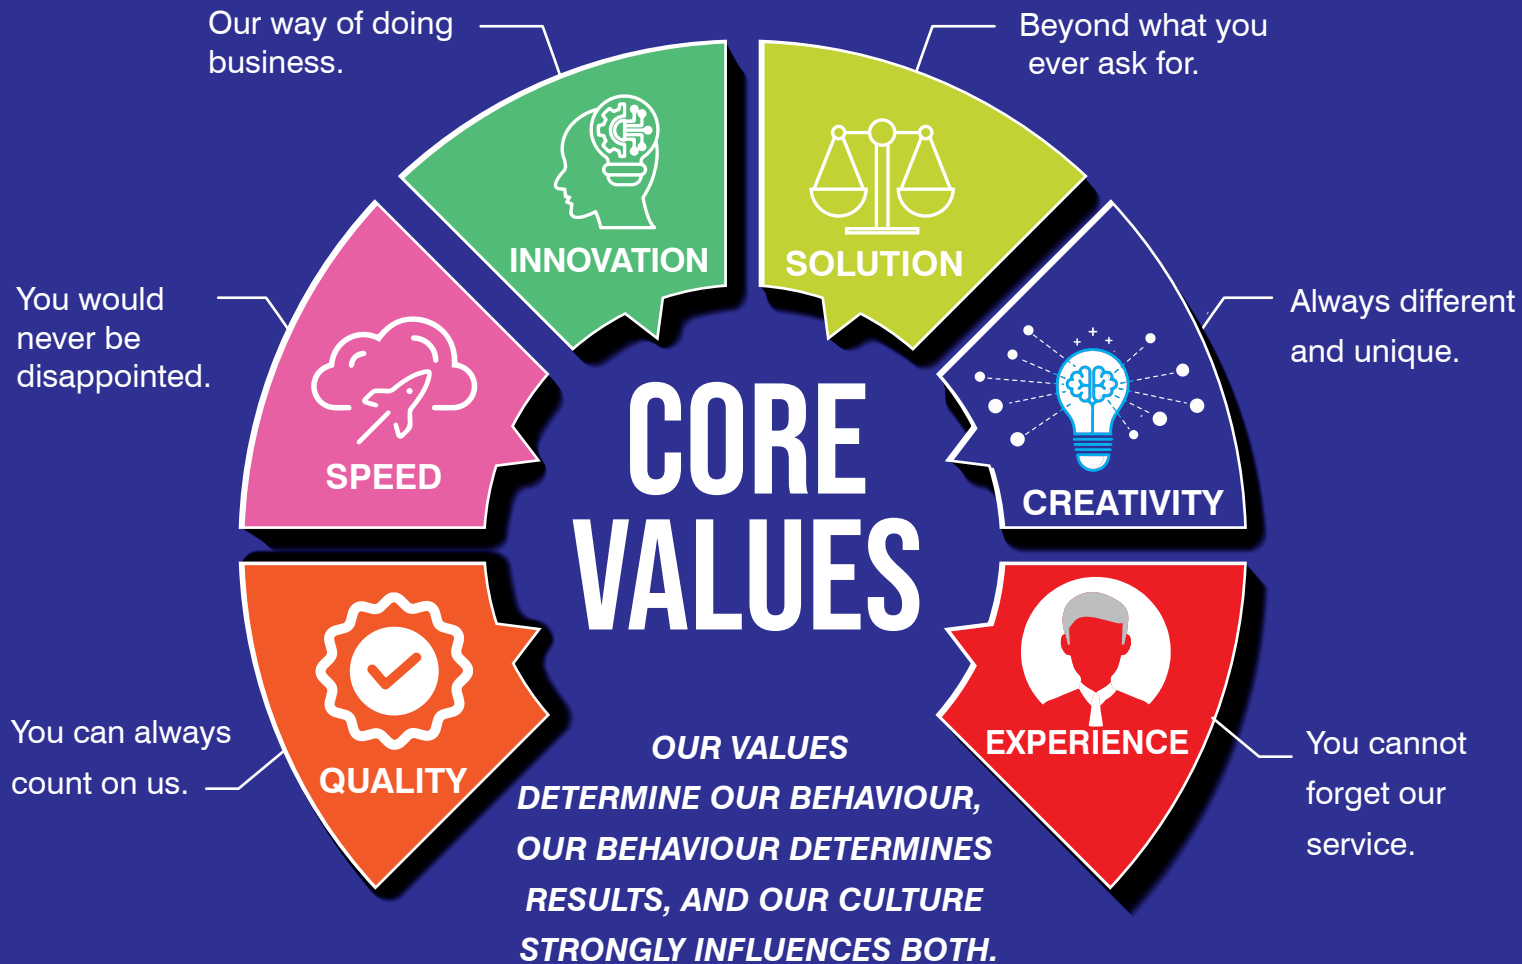

5

With decades of experience in the industry, you can't go wrong with Edsam. When knowledge fails experience will certainly bail you out.

663 MILLION

people in the world live without access to clean water.

THAT'S TWO TIMES THE POPULATION OF THE UNITED STATES.

In Africa alone, women spend 40 billion hours per year walking to collect water.

Lack of clean water causes 1 child to die every 33 seconds.

Children from dirty water fall more people than all forms of violence, including war-orphans.

Souvenirs

A souvenir is a treasured keepsake or memento that reminds us of a special place, event, or experience. It's a way to:

- Decorate our homes and workspaces
- Show appreciation for a particular culture or tradition
- Commemorate a milestone or achievement
- Relive happy moments and emotions

Souvenirs can be anything from a small trinket to a piece of artwork, and they often become cherished possessions that tell a story or evoke a sense of wonder.
